**Phone:** (810) 406-9982

**Office Address:**  
5665 Ponce de Leon Blvd  
Flipse Building, Room 336  
Coral Gables, FL 33146

### HIGHER EDUCATION

---

**Master of Science**  
Expected Spring 2025

**University of Miami**, Coral Gables, FL  
APA Accredited Ph.D. Program: Clinical Psychology  
Major Area in Children and Families  
Primary Research Mentor: Spencer C. Evans, Ph.D.

**Bachelor of Arts**  
May 2020

**University of Michigan**, Ann Arbor, MI  
Major: Psychology, Minor: International Studies  
High Distinction and High Honors, Phi Beta Kappa  
Honors Thesis Title: *Predictors of Character Strengths for Children Participating in the Kids' Empowerment Program*  
Honors Thesis Advisor: Sandra Graham-Bermann, Ph.D.  
Cumulative GPA: 3.88/4.0

### GRANTS AND FELLOWSHIPS

---

- 2024 **American Psychological Foundation COGDOP Graduate Scholarship**  
Project: "Frustrative nonreward and cognitive control across development: Examining the Frustration AX-Continuous Performance Task (FAX-CPT) in adolescents"  
Role: Principal Investigator  
Amount Awarded: \$2000
- 2024 **APAGS Psychological Science Research Grant**  
Project: "What makes you angry?" A machine learning approach to identifying triggers of frustrative non-reward across development"  
Role: Principal Investigator  
Honorable Mention
- 2022 - 2028 **University of Miami's Dean's Fellowship**  
Amount: \$76,000
- 2022 - 2028 **National Science Foundation Graduate Research Fellowship**  
Amount: \$138,000

### AWARDS AND HONORS

---

- 2023 - 2024 **Commendation for Academic and Research Excellence**, University of Miami
- 2023 **Flipse Doctoral Research Fund Award**, University of Miami (\$1000)
- 2018 - 2020 **James B. Angell Scholar**, University of Michigan
- 2020 **Conference Travel Award**, University of Michigan (\$200)
- 2016 - 2019 **University Honors**, University of Michigan
- 2019 **Martha Muenzer Memorial Award in Psychology**, University of Michigan (\$2000)
- 2019 **Summer in South Asia Undergraduate Fellowship**, University of Michigan (\$3000)
- 2019 **Longwood Fellowship**, University of Michigan (\$2000)
- 2019 **India Internship Initiative Scholarship**, University of Michigan (\$4000)

(2022, December 4-7). *CALM-IT: Feasibility, reliability, validity, and clinical relevance of a novel mobile application probing inhibitory control*. Poster presented at the American College of Neuropsychopharmacology (ACNP) annual convention, Phoenix, AZ.
- Pandya, U., Naim, R., German, R., **Shaughnessy, S.**, Meigs, J., & Brotman, M. A. (2022, November 17-20). *Ecological momentary assessment of mood and cognitions: Irritability is associated with perceived unfairness in clinical versus non-clinical samples*. Poster presented at the Association for Behavioral and Cognitive Therapies (ABCT) annual convention, New York, NY.

- Shaughnessy, S.,** Naim, R., Pandya, U., Meigs, J., Kircanski, K., & Brotman, M. A. (2022, June 13-14). *Applying real-time ecological momentary assessment to capture changes in emotional lability over the course of a novel cognitive behavioral treatment trial for pediatric irritability.* Poster presented at the Society for Digital Mental Health annual convention, Virtual.
- Meigs, J., Naim, R., Pandya, U., **Shaughnessy, S.,** Dombek, K., Kircanski, K., & Brotman, M. A. (2022, June 13-14). *The initial validation of RATE-IT, a novel mobile ecological momentary assessment application to probe irritability.* Poster presented at the Society for Digital Mental Health annual convention, Virtual.
- Naim, R., **Shaughnessy, S.,** Smith, A., Kircanski, K., & Brotman, M. A. (2022, April 28-30). *Real-time assessment of mood lability in a transdiagnostic sample of youth.* Poster presented at the Society of Biological Psychiatry (SOBP) annual convention, New Orleans, LA.
- Pandya, U., Naim, R., Dombek, K., **Shaughnessy, S.,** Meigs, J., German, R., Henry, L., Haller, S., Kircanski, K., & Brotman, M. A. (2022, April 26-28). *Ecological momentary assessment during exposure-based cognitive behavioral therapy shows decrease in pediatric irritability symptoms.* Poster presented at NIH Postbaccalaureate Poster Day annual convention, Virtual.
- Pandya, U., Naim, R., Dombek, K., **Shaughnessy, S.,** Meigs, J., German, R., Cullins, L., White, J., Kircanski, K., & Brotman, M. A. (2022, April 20). *Ecological momentary assessment of positive parental behaviors is associated with reduced child irritability symptoms and shows improvement over the course of treatment.* Poster presented at NIMH Julius Axelrod Symposium, Virtual.
- Shaughnessy, S.,** Naim, R., Meigs, J., Dombek, K., Kircanski, K., & Brotman, M. A. (2022, March 17-22). *Applying ecological momentary assessment to examine the association between labile mood and phasic/tonic irritability in youth.* Poster presented at the Anxiety & Depression Association of America (ADAA) annual convention, Denver, CO.
- Naim, R., **Shaughnessy, S.,** Smith, A., Karalunas, S. L., Kircanski, K., & Brotman, M. A. (2022, April 28-30). *Real-time assessment of daily affective fluctuations in a transdiagnostic sample of youth.* Poster presented at the Anxiety & Depression Association of America (ADAA) annual convention, Denver, CO.
- Shaughnessy, S.,** Pandya, U., Meigs, J., Dombek, K., Naim, R., German, R., & Brotman, M. A. (2022, February 13-15). *Leveraging real-time assessment to measure changes in temper outbursts in a cognitive behavioral therapy trial for pediatric irritability.* Poster presented at the Association for Cognitive Bias Modification (ACBT) annual convention, Virtual.
- Meigs, J., Naim-Aricha, R., **Shaughnessy, S.,** Dombek, K., Botz-Zapp, C., Pandya, U., Kircanski, K., & Brotman, M.A. (2022, February 13-15). *Remember to RATE-IT: A novel mobile application for in-vivo assessment of pediatric irritability.* Poster presented at the Association for Cognitive Bias Modification (ACBT) annual convention, Virtual.
- Pandya, U., Naim-Aricha, R., Meigs, J., **Shaughnessy, S.,** Lee, K., & Brotman, M. A. (2022, February 13-15). *Review of in-vivo cardiac arousal data collection devices.* Poster presented at the Association for Cognitive Bias Modification (ACBT) annual convention, Virtual.
- Shaughnessy, S.,** Naim, R., Botz-Zapp, C., Dombek, K., Meigs, J., Kircanski, K., & Brotman, M. A. (2021, November 18-21). *Using ecological momentary assessment to understand the relationship between affective states and emotion dysregulation in a transdiagnostic sample of youth.* Poster presented at the Association for Behavioral and Cognitive Therapies (ABCT) annual convention, Virtual.
- Shaughnessy, S.,** Bezek, J., Pine, D. S., Brotman, M. A., Leibenluft, E., Kircanski, K., & Cardinale, E. (2021, September 24). *The moderating role of ADHD symptoms on deficits in proactive control in youth with irritability.* Poster presented at the NIMH Scientific Training Day annual convention, Virtual.
- Scheinberg, B., Xu, E., **Shaughnessy, S.,** Kircanski, K., Brotman, M. A., Leibenluft, E., Linke, J. O. (2021, September 24). *Parsing inattention, hyperactivity, and irritability: A comparison of latent variable models.* Poster presented at the NIMH Scientific Training Day annual convention, Virtual.
- Meigs, J.M., Chue, A., Naim, R., Smith, A.R., Dombek, K., **Shaughnessy, S.,** Botz-Zapp, C., Grassie, H., Brooks, J., Pine, D.S., Leibenluft, E., Brotman, M.A., Kircanski, K. (2021, April 29 – May 1). *Irritability and sleep in a transdiagnostic pediatric sample.* Poster presented at the Society of Biological Psychiatry (SOBP) annual convention, Virtual.
- Shaughnessy, S.,** Cardinale, E., Naim, R., Haller, S. P., German, R. E., Botz-Zapp, C., Bezek, J., Meigs, J., & Brotman, M. A. (2021, April 27-29). *Preliminary validation from a novel mobile application to assess inhibitory control.* Poster presented at the NIH Postbaccalaureate Poster Day annual convention, Virtual.
- Shaughnessy, S.,** Osbourne, M., Roberts, A., Finkelstein, S, & Graham-Bermann, S. A. (2021, April 11-13).

- Predictors of character strengths for children participating in the Kids' Empowerment Program.* Poster presented at the ResilienceCon annual convention, Virtual.
- Graham-Bermann, S. A., Roberts, A., **Shaughnessy, S.**, Osbourne, M., & Finkelstein, S. (2021, April 11-13). *The Kids' Empowerment Program reduces adjustment problems in school-age children.* Poster presented at the ResilienceCon annual convention, Virtual.
- Dugoff, E., Haran, N., Roberts, A., **Shaughnessy, S.**, Osbourne, M., Finkelstein, S., & Graham-Berman, S. A. (2020, April 23-25). *Managing fears and worries intervention within the Kids' Empowerment Program.* Poster accepted for presentation at the Midwestern Psychological Association annual convention, Cancelled.
- Haran, N., Dugoff, E., Roberts, A., **Shaughnessy, S.**, Osbourne, M., Finkelstein, S., & Graham-Berman, S. A. (2020, April 23-25). *Longitudinal usage of yoga and progressive muscle relaxation in the Kids' Empowerment Program.* Poster accepted for presentation at the Midwestern Psychological Association annual convention, Cancelled.
- Roberts, A., **Shaughnessy, S.**, Finkelstein, S., Osbourne, M., & Graham-Bermann, S. A. (2020, April 5-7). *Impacts of the Kids' Empowerment Program on emotion regulation and coping among school-aged children.* Poster accepted for presentation at ResilienceCon annual convention, Cancelled.
- Shaughnessy, S.**, Burrage, R., & Gone, J. (2018, April 17-18). *Expressions of culture in testimonies of residential school survivors from Manitoba.* Poster presented at the Undergraduate Research Opportunity Program Spring Symposium, Ann Arbor, MI.

## RESEARCH EXPERIENCE

---

- 2022 - **Graduate Student, Child Affect & Behavior Lab**  
*University of Miami, Coral Gables, FL*  
**Mentor:** Spencer C. Evans, Ph.D.
- Design and conduct original research studies, including an assessment of cognitive control deficits in irritable youth using a novel frustration-induction paradigm
  - Utilize advanced statistical software (e.g., Python, R, SPSS, Mplus) to perform complex data analyses, including latent growth curve modeling, hierarchical linear modeling, and Bayesian network analysis
  - Mentor undergraduate students on senior thesis projects by guiding them through project conceptualization, literature reviews, data analysis and writing
- 2020 - 2022 **Intramural Research Trainee, Neuroscience and Novel Therapeutics Unit**  
*National Institute of Mental Health (NIMH), Bethesda, MD*  
**Mentors:** Melissa Brotman, Ph.D.; Ellen Leibenluft, M.D.
- Led independent project studying the link between labile mood and temper outbursts using ecological momentary assessment (HLM, SPSS)
  - Initiated independent analyses examining how low frustration tolerance impacts behavior during a cognitive control task (e.g., AX-CPT)
  - Pre-processed and analyzed behavioral data from a novel mobile application measuring deficits in motor inhibition (R, SPSS)
  - Submitted amendments and yearly review documents to the NIMH Institutional Review Board (IRB) for two protocols
  - Guided pediatric patients with Disruptive Mood Dysregulation Disorder and Attention-Deficit/Hyperactivity Disorder through fMRI and behavioral tasks
- 2018 - 2020 **Lab Manager, Kids' Empowerment Program**  
*University of Michigan Department of Psychology, Ann Arbor, MI*  
**Mentors:** Sandra Graham-Bermann, Ph.D.; Andrea Roberts, Ph.D.
- Independently analyzed the influence of socioeconomic status and race on youths' character strength endorsement (SPSS)
  - Oversaw data collection for a longitudinal study on a novel skills-based program aiming to improve pediatric mental health through psychoeducation
  - Scheduled pre, post, and follow-up clinical interviews that assessed changes in internalizing and externalizing symptomatology
- 2019 **Monitoring and Evaluation Intern**  
*Enabling Leadership, Mumbai, India*

- Mentors:** William Glover, Ph.D.; Clemente Beghi, Ph.D.
- Drafted and piloted a unique life skill assessment scale to measure the effectiveness of group programming on children's leadership skills
- 2017 - 2018 **Research Assistant, Culture and Mental Health Lab**  
*University of Michigan Department of Psychology, Ann Arbor, MI*
- Mentors:** Joseph Gone, Ph.D.; Rachel Burrage, Ph.D.
- Led independent project examining the impact of institutional child abuse on Canadian Residential School survivors' cultural ceremony engagement
- 2017 **Research Assistant, Evolutionary Social Psychology Lab**  
*University of Michigan Department of Psychology, Ann Arbor, MI*
- Mentor:** Joshua Ackerman, Ph.D.
- Conducted pain-placebo behavioral studies and collected saliva samples to understand the mechanisms underlying perceived disease threat

## CLINICAL EXPERIENCE

---

- 2024 - **Practicum Student, Mailman Center for Child Development**  
*Parent-Child Interaction Therapy (PCIT) Rotation, Miami, FL*
- Supervisor:** Allison Weinstein, Ph.D.
- Deliver PCIT sessions with a co-therapist to provide real-time coaching to parents of children with disruptive behavior disorders
  - Participate in a certified training program with both didactic and experimental components on PCIT principles, including child-directed interaction (CDI) and parent-directed interaction (PDI)
- Pediatric Hematology/Oncology Rotation, Miami, FL*
- Supervisor:** Jennifer Coto, Ph.D.
- Conduct psychosocial evaluations for pediatric patients seeking a bone marrow transplant, assessing mental health, coping strategies, and readiness for transplant
  - Deliver psychological support and counseling to pediatric cancer and sickle cell patients with diverse clinical presentations (e.g., Autism, anxiety disorders) and across various stages of diagnosis, treatment, and recovery
  - Consult and collaborate with multidisciplinary teams, including hematologists, oncologists, social workers, and nursing staff, to develop and implement comprehensive care plans for patients
- 2024 - **Advanced Practicum Student, Psychological Services Center**  
*University of Miami Department of Psychology, Coral Gables, FL*
- Supervisor:** Tony Petruzzella, Ph.D.
- Administer IQ assessments for children and adolescents, including the WISC-V and the WPPSI-IV, to assess eligibility for gifted programming
  - Liaison with teachers and school districts to collect teacher-report forms and tailor recommendations to best support student needs
- 2023 - 2024 **Practicum Student, Psychological Services Center**  
*University of Miami Department of Psychology, Coral Gables, FL*
- Supervisors:** Kristin Lindahl, Ph.D.; Amanda Jensen Doss, Ph.D.
- Administered psychological and IQ assessments for children and adolescents, including the WISC-V, WAIS-IV, WPPSI-IV, and WJ-IV
  - Conducted intake interviews with parents for both assessment and therapy cases
  - Delivered weekly, outpatient individual therapy to children and adolescents
  - Selected manualized treatments based on comprehensive case conceptualizations
- 2023 - 2024 **Graduate Clinician, Program for Anxiety, Stress, and OCD (PASO)**  
*University of Miami Department of Psychology, Coral Gables, FL*
- Supervisor:** Kiara Timpano, Ph.D.
- Administered psychological assessments (DIAMOND, MINI) to Hispanic/Latino/a adults with obsessive compulsive disorder (OCD) and anxiety

- 2023 - 2024 **Practicum Student, Child and Adolescent Mood and Anxiety Treatment Program**  
*University of Miami Department of Psychology, Coral Gables, FL*  
**Supervisor:** Jill Ehrenreich-May, Ph.D.
- Participated as a co-therapist and delivered the Unified Protocol for Children (UP-C) in group settings to children between the ages of 6 and 12 with a variety of diagnoses (e.g., ADHD, Autism, ODD, anxiety disorders)
  - Attended weekly group supervision meetings for treatment planning, case discussions, and review of video tape
- 2018 - 2020 **Lead Group Facilitator and Lab Manager, Kids' Empowerment Program**  
*University of Michigan Department of Psychology, Ann Arbor, MI*  
**Supervisors:** Sandra Graham-Bermann, Ph.D.; Andrea Roberts, Ph.D.
- Co-led five 12-week-long group interventions on regulating emotions and reducing externalizing behaviors
  - Conducted semi-structured clinical interviews on traumatic events, depressive symptomatology, and aggressive behaviors
- 2018 - 2020 **Undergraduate Intern, University Center for the Child and Family**  
*University of Michigan, Ann Arbor, MI*  
**Supervisors:** Cynthia Ewell Foster, Ph.D.; Erin Hunter, Ph.D.
- Observed pediatric patients during initial assessments and wrote behavioral observations for clinical discussions
  - Processed patient psychotherapy and testing records
- 2017 **Lifeguard and Waterfront Counselor**  
*Camp Starfish, Rindge, NH*  
**Supervisor:** Jamie Mahnken, B.A.
- Lifeguard and camp counselor for children with behavior difficulties and/or diagnoses of externalizing disorders (e.g., ODD, CD, Autism)
  - Intervened in severe temper outbursts to de-escalate campers and helped them integrate coping strategies into their daily routines

---

## TEACHING EXPERIENCE

- 2019 - 2020 **Course Facilitator, ALA 171- Making the Most of Michigan**  
*University of Michigan, Ann Arbor, MI*  
**Mentors:** Patricia Gurin, Ph.D.; Martha Kirpes, Ph.D.
- Co-led a weekly two-hour seminar on professional development, campus resources, networking, and diversity for transfer students

---

## VOLUNTEER AND LEADERSHIP EXPERIENCE

- 2024 - **Co-President, Coral Gables, FL**
- Nominated to serve on the Psychology Graduate Student Organization Board (PGSO)
- 2022 - **Project Short, Virtual**
- Guide prospective clinical psychology Ph.D. students through the application process
  - Assisted high school graduates in applying for college and scholarships
- 2023 - 2024 **Child Track Representative, Coral Gables, FL**
- Nominated to serve on the Psychology Graduate Student Organization Board (PGSO)
- 2020 - 2021 **College Bound, Washington DC**
- Mentored students through high school and the college application process
- 2017 - 2019 **Wolverine Support Network, Ann Arbor, MI**
- Co-led weekly peer-to-peer support groups for college students
- 2018 **Emotions in Action, Ann Arbor, MI**
- Facilitated groups of students in weekly discussions of mental health

---

## AD HOC

*Child Development*  
*Journal of the American Academy of Child and Adolescent Psychiatry*  
*Research on Child and Adolescent Psychopathology*
